

## Clothespin Puppets

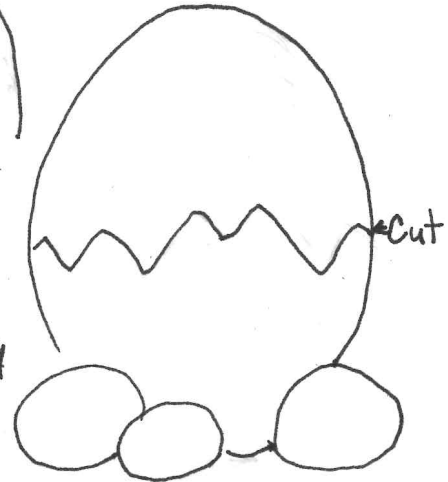

Colour and cut out. Cut where mouth or cracked egg is. Glue to one side of clothespin, lining up mouth with where clothespin opens. If you want to see a hand, fish, fly... when the puppet opens its mouth glue it on the other side of the popsicle stick

With a tooth pick add to other side of pin

attach to other side so when jaws open you see this.

add to Far side of opened end
