

Toilet Paper Roll Mandala

Flatten toilet paper rolls and cut in 1-1.5cm strips
Creating circles, use needle nose pliers or a bamboo skewer or something similar to coil ends where needed.

Use a glue gun to join pieces, or white glue.
Spray paint when finished

Leaves are created with one circle folded and then creased at the 1/2 way point.
Cut a cereal box or many joined toilet paper roll strips to make the two continuous outer rings
