

Toilet Paper Roll Mandala
Flatten toilet paper rolls and cut in
1-1.5cm strips

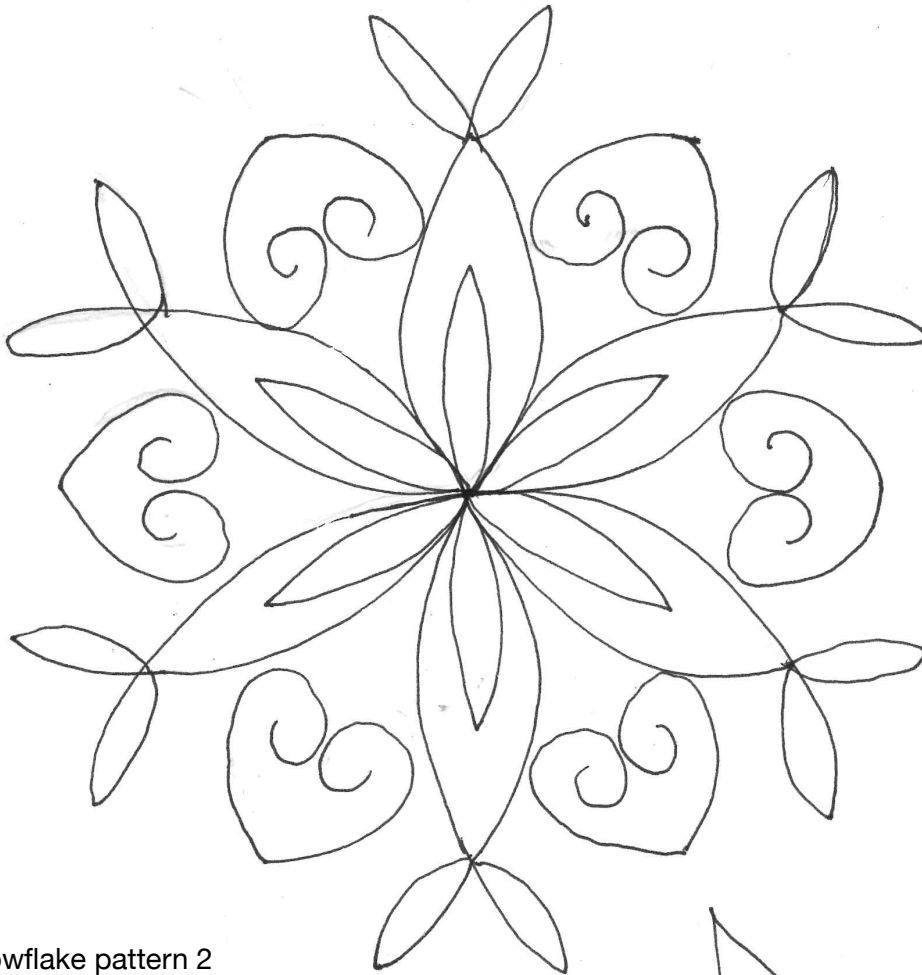

Creating circles, use needle nose
pliers or a bamboo skewer or
something similar to coil ends
where needed.

Leaves are created with one circle
folded and then creased at the 1/2
way point.

Use a glue gun to join pieces, or
white glue.

Spray paint when finished

(These are a little smaller than
actual size)
